Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest eBook i have read during my very own daily life and could be he best eBook for possibly.

I presume that the German population of Wisconsin participate more or less in that feeling. They are generally opposed to the institution of slavery, and to the extension of slavery. Very many of them act with the Republican party; and I doubt not that they would nearly all do so, were it not that in our State the Democratic party has, to a great extent, persuaded them that they were the real friends of freedom, free soil, and free men, and that the most effectual way to prevent the further extension of slavery was to vote the Democratic ticket. As they learn our language, however, very readily, they soon begin to read for themselves, and, as they do so, generally become Republicans; and, sooner or later, the great mass of Germans will belong to the Republican party. It is this sentiment, in regard to that class of population, that renders the South nearly unanimous against that much-desired Republican measure, a homestead bill, and which has led a Democratic Senate to substitute...
