Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Harvard College, Class of 1880: Secretary s Report, No. Vi., June, 1900 Ustom seems to require from the class secretary a preface to his quinquennial report, but I do not understand that it is a law that it shall be read. It often serves as a vehicle for bringing to the attention of the class their remissness in answer ing the secretary s circulars and letters. I will admit that I have already accumulated some material which might be worked off in that way, but I am not yet in a condition of mind to use it. The busy men, from force of habit, have generally answered by return mail, and if some of those with time to burn have used my circulars for lighters, I confess to a secret admiration of their independent situation. Then, again, many circulars brought back with them pleasant letters and messages from classmates long separated by time and space, the value of which is not to be measured.
