DISSERTATION ON GHOSTS, DEMONS AND VAMPIRES

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Every age, every nation, every country has its prejudices, its maladies, its customs, its inclinations, which characterize them, and which pass away, and succeed to one another; often that which has appeared admirable at one time, becomes pitiful and ridiculous at another. We have seen that in some ages all was turned towards a certain kind of devotion, of studies and of exercises. It is known that, for more than one century, the prevailing taste of Europe was the journey to Jerusalem. Kings, princes, nobles, bishops, ecclesiastics, monks, all pressed thither in crowds. The pilgrimages to Rome were formerly very frequent and very famous. All that is fallen away. We have seen provinces over-run with flagellants, and now none of them remain except in the brotherhoods of penitents which are still found in several parts. We have seen in these countries jumpers and dancers, who every moment jumped and danced in the streets, squares or market-places, and even in the churches. The convulsionaries of our own days seem to have revived them; posterity will be surprised at them, as we laugh at them now. Towards the end of the sixteenth and at the beginning of the seventeenth century, nothing was talked of in Lorraine but wizards and witches. For a long time we have heard nothing of them. When the philosophy of M. Descartes appeared, what a vogue it had! The ancient philosophy was despised; nothing was talked of but experiments in physics, new systems, new discoveries. M. Newton appears; all minds turn to him. The system of M. Law, bank notes, the rage of the Rue Quinquampoix, what movements did they not cause in the kingdom? A...
