Savas Beatie. Paperback. Book Condition: New. Paperback. 192 pages. Dimensions: 8.8in. x 6.1in. x 0.5in. As anyone who has undergone the transition from civilian to soldier will tell you, basic training is a lot tougher and more challenging than any recruit can imagine. Michael Volkin discovered that fact soon after 9-11, when his personal vow to serve my country convinced him to enlist in the U. S. Army. As Volkin quickly discovered, he was utterly unprepared for the new world of the military, a completely different environment full of unknown exercises and acronyms, where cant eat or talk without permission. Volkin began taking notes on everything and anything with the hope that no one else would have to go through basic training like I did completely unarmed with knowledge that would have eased my transition into the military and allowed me to be more successful. During Operation EnduringIraqi Freedom, Volkin organized his notes, interviewed hundreds of other soldiers, and began to write. The result is The Ultimate Basic Training Guidebook, a unique and utterly indispensable guide to successfully coping with and thriving in todays military. The Ultimate Basic Training Guidebook is a comprehensive, practical, and easy-to-follow survival guide written specifically for every new or prospective recruit about to enter any branch of the armed forces. Volkins book offers step-by-step instructions and solutions, including helpful charts and graphics, for how to prepare both physically and mentally for boot camp. It includes a special eight-week fitness program specifically designed to improve your fitness test scores, specific study guides, an instructional How tochapter, a list of what to bring (and not to bring) to basic training, tips for success, and much more. The Ultimate Basic Training Guidebook was written by a soldier for men and women who want to become soldiers. No one should...
